

“We Are Truth Seekers, Not Case Makers”

OREGON CHAPTER 31, IAAI
1284 Court St NE Salem, OR 97301
www.oregoniaai.org

In September, a projected 100 fire investigators from Oregon, Washington, Idaho and California will be convening at our 41st Annual Training Seminar on September 16-19, 2019, in Newport, Oregon. Twenty-four (24) hours of fire investigation training and education will be delivered over four days to our training seminar attendees including ATF Profiling, 16 JPR's for 1033, Ventilation Impact, Report Writing, and more. Class offerings will include nationally recognized and state expert instructors.

It would be a distinct honor and privilege if you would consider being a part of our event. The cost of providing 24 hours of tested fire investigation training and education is not inexpensive and we rely on the partnership of companies like yours to support the necessary education for these investigators. Our Board of Directors understands that while most companies would love to support these training events, they also need an opportunity to share more about their business and products. We offer a variety of sponsorship options to promote your company that you are comfortable with as a supporter of the education we are bringing to Fire Investigators in the Pacific NW.

The Oregon Chapter 31-IAAI provides current, up-to-date training and education to individuals in the fire investigation industry. Your contribution will have a significant impact on the success of our 2019 training seminar. Thank you for your consideration in supporting the mission statement of the Oregon Chapter IAAI.

Sincerely,

Jerry Flowerdew

Jerry Flowerdew
Oregon Chapter 31-IAAI
President

P.S. Mark your calendars and plan to join us for our 42nd Annual Training Seminar, September 21-24, 2020 at the Hallmark Resort in Newport, Oregon. Hope to see you there!
